Making Dreams Come True

2020-2021 • COUNSELORS

We are a team of educational mental health professional who are dedicated to helping all of our students reach their fullest potential through academic, career, social and personal support. We advocate for our students through collaboration with parents and staff and by networking with local community services and resources.

PLEASE NOTE: The main phone number to call is 513-281-6100 plus extension if provided below.
